### Profile

I am a hardworking individual who believes that being given a number of creative talents by God, that it is my duty to use those talents to help others showcase their message and dreams.

### Experience

#### **TRINITY WOODWORKING/ THE HOOSIER WALLBED COMPANY; LAWRENCEBURG, IN 1997-2019**

Master Carpenter. Duties include working with clients, design and building of cabinetry, furniture, trim work. I also have created advertisement materials, for the company, in print and video.

#### **SINDIONG VIDEO PRODUCTIONS; CINCINNATI, OH 1986-2016**

Self employed as a videographer, editor, graphic design. Produced Event video, Music video, Corporate video and Film to video transfer services. Past clients have included Procter & Gamble, Lexis Nexis, Accent on Cincinnati, Pink Floyd cover band, "Signs of Life", CES awards.

#### **ELECTRIC CASSEROLE PRODUCTIONS; CINCINNATI, OH 2004-2005**

Company I formed to produce a locally televised show, "Weddings Cincinnati Style" which aired on WSTR channel 64. Duties included being executive producer, videographer, head writer, editor, sales. This was a 30-minute, magazine format show that was created to highlight the local wedding industry. We aired 13 episodes of the show to well received ratings.

#### **MOBILECOMM; CINCINNATI, OH 1990-1993**

Was hired to install cell phone, two-way radio and emergency equipment in vehicles. Was promoted to parts department to help reorganize the department and work as a buyer and catalogue repair parts and supplies.

#### **D&N DISTRIBUTORS; CINCINNATI, OH 1984-1986**

Film to video transfer service.

### Education

University of Cincinnati, Bachelor of Fine Arts, Radio and Television Broadcasting - Graduated 1984.

La Salle High School, Graduated 1979.

### Organizations

#### **FIRST PRESBYTERIAN CHURCH, HARRISON, OH 2005-PRESENT**

A member of the church, I have also served as a deacon and as a session member, now serving my second term in session. I also help in running the audio and video streaming and recording portion of our services. I have also done graphic design work for the church, including our pictorial, brochures, and other print material.

**CINCINNATI FINAL CUT PRO USERS GROUP (FCPUG); CINCINNATI, OH 2005-2010**

Co-founder of the users-group, dedicated to sharing and teaching aspects of Apple's editing software, Final cut Pro Suite. We also studied and demonstrated various other 3rd party software and plug-ins used in support of FCP and video production such as Photoshop, Boris FX, etc.

**ASSOCIATION OF PERFORMING AND RECORDING ARTISTS; CINCINNATI, OH 1992-1997**

A not for profit organization formed to help local musicians develop their presence in the community. I served on the board in charge of video production. We produced concerts and venues for local musicians and bands to perform.

**Skills**

I have a creative eye for composition in photography and graphics. I have an appreciation and talent for art. I have a natural sense for timing both visually and in audio. I have an ability to master technology and its potentials. Video and film is the art form that successfully combines all of these talents into one form. I have always been a team player. There is always plenty more to learn and it is also my duty to share the knowledge that I possess.

**Awards**

2005; Nominated for a "Regional Emmy" award. The nomination was for a short promo video I produced. The promotional video was for a local cable show, "UFO Update Live", that I was involved with.

1993-2004; Multiple "Blue Chip Cable Access Awards" in several of the professional categories for various projects that I was either a producer, or co-produced.

1997; "Videographer Awards" award for excellence. Received for a music video that I produced for the local band, "One Brown Shoe".

1991; "Videomaker Magazine Awards" honorable mention. Received for a spoof video called "This Old Haunted House".
